Balance is nothing more than the harmony
between the world and its creator.
This marble mirrors that feeling exactly.
Sweet sight for a perfect eye.

PICKET

Particular in real size

Born from the need of nature,
to find the right compromise between beauty and topicality.
Its being so harmonious, but decisive, makes it unique in every respect.

Subtle details.

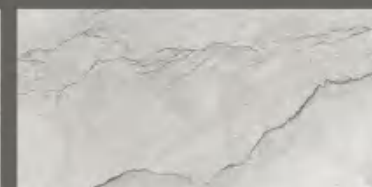

The combination between the rustic look and the soft touches of marble, offer a harmonious result.

The gray tone enhances the idea of unity by its minimalist design and the warmth that emerges from the soft shades of the project.
